Jiří is an associate at Urban & Hejduk. Jiří studied at the Faculty of Law of Palacký University Olomouc. During his studies, he participated an Erasmus study programme in Salzburg, Austria. Prior to joining Urban & Hejduk, Jiří worked several years in a leading Czech law firm. As part of his practice, he primarily focuses on litigation in connection with Czech judicial and administrative proceedings, including arbitration, the law of obligations, and intellectual property.

SELECTED REFERENCES

- Representing a client in unfair competition proceedings in a dispute amounting to tens of millions of Czech crowns
- Representing important Czech firms controlled by public entities in administrative proceedings, especially in proceedings on free access to information and subsequent court proceedings
- Representing major international airlines in passenger compensation disputes
- Legal advice in relation to representing a client in arbitration proceedings and proceedings for the annulment of an arbitration award
- Preparing and revising contractual documentation, especially relating to software law and complex contracts for work and leases.
- Preparing legal analyses and opinions relating to civil procedural law, corporations, and the law of obligations
- Preparing contractual documentation as a part of loan financing for hundreds of millions of Czech crowns
