- Corporate law
- Real estate and construction law

T: +420 226 207 507

E: jiri.seydler@urbanhejduk.cz

Jiří is a junior associate at Urban & Hejduk. Prior to joining Urban & Hejduk, he worked six years as a junior associate and previously as a paralegal in a top Czech law firm focusing on dispute resolution. Jiří is a graduate of the Faculty of Law of Charles University, where he focused on civil procedural and substantive law and criminal law.

During his studies, Jiří completed an Erasmus student exchange programme at a university in Nijmegen, Netherlands, where he focused on European and international law. As a part of his legal practice, Jiří deals with dispute resolution, including arbitration proceedings, the law of obligations, and corporate law.

SELECTED REFERENCES

- Collaboration in representing a client as a claimant in international arbitration proceedings before the ICC Court of Arbitration in a complicated commercial dispute relating to a contract for work in the engineering sector.
- Collaboration in representing a major financial institution in extensive disputes over commercial agency contracts.
- Protecting the assets of a foreign client who became a victim of an attempted fraud in the enforcement of a fictitious claim against him in the Czech Republic.
- Preparing comprehensive legal analyses and opinions relating to civil procedural law, corporate law, and the law of obligations.

- Contributing to the representation of a major financial institution in relation to enforcing its claims in extensive insolvency proceedings with a major supplier in the engineering sector.
- Cooperation with respect to protecting a client against the unlawful enforcement of a foreign decision in the Czech Republic.
